Winter Career Expo, January 20-21

What to Expect

Organizations select this Career Center event to showcase job and/or internship opportunities specifically to UM-Ann Arbor students. They’re coming to see you!

• For some organizations, Expo is the first step in screening candidates for interviews at The Career Center. Check Handshake for their on-campus interview dates and deadlines.

• Expo is the first and only visit to campus for most organizations. Recruiters collect resumes, screen candidates and refer to their website to start the hiring process. Ask these Expo recruiters about next steps and stay connected!

• Looking for an internship? Almost half of Expo organizations feature internships.

Tips

- Attend the Expo-preptacular, January 15, 11-3 at The Career Center
- Attend the Career Crawl, January 19, 6-7:30
- Download the app – Career Fair Plus
- Develop a “greeting” and practice questions for the organization
- Search organizations in advance to understand their sponsorship options

Consider:

■ What type of experience are you looking for?
■ What are you excited about?
■ What do you enjoy?
■ What do you want to learn?

- Some lines may be long. Prepare your list of “priority” companies but also be open to new organizations
- Dress is professional – wear a suit or other formal attire and comfortable, closed-toed shoes
- Bring multiple copies of your resume to leave with employers, but a cover letter is not necessary
- Pay attention to dates. Many employers will direct you to apply on their site or Handshake, sometimes with very quick turnaround times.
