

## Full Time Equivalency Request Form

This form is used for students who will not be enrolled full time during an academic term yet the Department considers them to be full time enrolled due to a specific academic program design. Please be advised that this request form along with required documents listed below must be submitted during a Reduced Course Load (RCL) workshop.

This request must be received by the International Center (IC) by the end of second week of classes of EACH TERM. A student who drops below a full course of study without prior approval of a Designated School Official (DSO) is considered out of status. Once this request is approved, we will issue you a "FULL TIME EQUIVALENCY CERTIFICATE", and you should keep it for your own records. You will need to pick up the certificate at the IC front desk with your UM photo ID.

Please note we will not approve your request unless the reason falls in one of the reasons described specifically in Section B;
