University Health Service (UHS) now offers both in-person and virtual clinical services [1], and the UHS Pharmacy is offering curbside pick-up [2] through Thursday, May 28, 2020. UHS has also posted information about COVID-19 [3].

Michigan Medicine has posted videos with information about COVID-19 in several different languages. The videos also include special phone numbers for speakers of those languages to call if they have questions.

Links to the videos:

- Arabic [4]
- Cantonese [5]
- French [6]
- Japanese [7]
- Korean [8]
- Mandarin [9]
- Russian [10]
- Spanish [11]
