Looking Ahead: What You Need to Know About Teaching English Abroad After Graduation

Date and Time:
Thursday, June 18, 2020 - 2:00pm to 3:15pm

Location:
via Zoom

Description: Teaching English abroad can be a cost-effective way to spend a year (or two!) immersing yourself in another culture after graduation. There are many ways to go about teaching English abroad, so we invite you to join us for a session that will cover topics including things to know about teaching English abroad, opportunities to do so (primarily beginning in 2021), and how to prepare for the experience while still a student at U-M! You’ll also have an opportunity to hear reflections from those who have taught abroad in the past.

This session is offered in partnership with the English Language Institute.

RSVP here for log-in details.
