Teaching English Abroad After Graduation

Date and Time:
Thursday, October 29, 2020 - 12:00pm to 1:15pm

Location:
via Zoom

Description: Teaching English abroad can be a cost-effective way to spend a year (or two!) immersing yourself in another culture after graduation. There are many ways to go about teaching English abroad, so we invite you to join us for a session that will cover topics including things to know about teaching English abroad, opportunities to do so (primarily beginning in 2021 and beyond), and how to prepare for the experience while still a student at U-M!

This session will cover overview information. We encourage you to attend the program-specific breakout sessions to learn more about programs through which you can teach English Abroad.

This session is offered in partnership with the English Language Institute.
