International Center Hours

The International Center will reopen on Monday, February 8, with a new schedule.

- On-site: Monday, Wednesday, Friday: 10-noon, 1-3pm
- Remote: Tuesday, Thursday

All students – including graduate and professional students – who come to the SAB and the International Center must be in compliance with the weekly COVID-19 testing requirement [1] in order to conduct business.

During on-site hours, the International Center is open to the public. These hours are primarily for document drop-off and pick-up and for pre-scheduled visits. At other times during the work week, staff will work remotely from their homes.

Since these hours are subject to change, please refer to Today’s Hours on the International Center website for updates.
