Appointments

Private appointments for University of Michigan F-1 students, J-1 students, and J-1 scholars are available upon request. Our International Student and Scholar Advisors can help you with issues related to F or J immigration status, cultural adjustment, and personal concerns. Please call 734.764.9310 or visit the International Center to schedule your 30 minute appointment. Appointments cannot be scheduled by email.

Advising Hours (North Campus)

The International Center will have advising hours by appointment only in the College of Engineering's Office of Student Support and Accountability, 129 Chrysler Center.

The advising hours on North Campus will be on Mondays from 1:00 - 4:00 PM and Fridays from 1:00 - 4:00 PM. (Advising hours on North Campus have finished for 2017. More information about advising hours on North Campus for winter term 2018 will be announced soon.)

Students may drop off completed standard requests on North Campus during the advising hours above, such as requests for travel signatures, OPT, etc. Requests that require meeting with an advisor (such as CPT or extensions) still require an appointment.
Students may also request to pick up documents from completed requests on North Campus during these hours. However, forms will not be available for pick up on North Campus outside of these hours.

If you indicate North Campus pick-up on your request and wish to pick up your form at a time other than when the International Center has advising hours on North Campus, then you may pick it up at the front desk of the International Center, 1500 Student Activities Building (SAB).
