

Enrollment Requirements

For most students, the academic year is fall and winter terms, while the spring/summer is considered the vacation term. During the academic year, in general, the minimum full-time enrollment for international students is as follows:

Undergraduate students	12 credit hours
Graduate students	8 credit hours
Graduate student assistants (GSIs or GSRAs)	6 credit hours

Note: *You must be registered full-time during your first term of admission. If admitted to begin spring/summer, you must be full-time during that first spring/summer term.*
