Enrollment Requirements

For most students, the academic year is fall and winter terms, while the spring/summer is considered the vacation term. During the academic year, in general, the minimum full-time enrollment for international students is as follows:

- Undergraduate students: 12 credit hours
- Graduate students: 8 credit hours
- Graduate student assistants (GSIs or GSRAs): 6 credit hours

**Note:** You must be registered full-time during your first term of admission. If admitted to begin spring/summer, you must be full-time during that first spring/summer term.

You must be registered full-time by the deadline, or receive permission from the U-M International Center for a reduced course load or a full-time exception.

The deadline for meeting the full-time registration requirement is the end of the U-M Drop/Add period.

If you are not registered full-time by the deadline, your SEVIS record will be terminated and you will lose your F-1/J-1 status. There is no grace period to remain in the U.S. following status termination.

Pass/Fail classes count towards full-time enrollment.

Courses that you visit or audit do not count towards full-time enrollment.

**Exceptions to Full-Time Enrollment Requirements**

In some cases, international students may receive permission from the U-M International Center to drop below full-time enrollment.

- Reduced course load
- Full-time equivalency for graduate students
- Concurrent enrollment
- Guest Student Information
- Rackham Grace Period
