

International Student Associations

The following list contains links to descriptions and contact information for a number of international student associations. Many of these organizations also invite international scholars to join. For more student organizations, visit [Maize Pages](#) [1], the University of Michigan's Directory of Student Organizations. Browsing categories such as Cultural/Ethnic or Religious/Spiritual (Hindu Students organization, Muslim Students Association, etc.) will help you find student organizations that may be of special interest to international students and scholars.
