International Center Student Council (ICSC)

ICSC Purpose

The International Center Student Council (ICSC) provides globally minded students with a forum to identify and examine issues affecting students. ICSC serves as a direct link between U-M students and the International Center. It is dedicated to helping the International Center fulfill its mission [1]. ICSC also serves to provide a global community in which members can respectfully and creatively collaborate with each other and with IC to make UM a better place for personal and professional growth.
