Applying for a Passport

Passport applications are available online or locally at some Ann Arbor Post Offices (see [specific locations](#) below) or at the County Clerk's Office. To apply for your first passport or to renew a passport that was issued when you were less than 16 years old, you must apply in person. Routine processing takes approximately six weeks.

Complete information and downloadable application forms are available at [U.S. Department of State](#) [1].

You will need to bring the following items when you apply in person:

- **Application Form DS-11.** Downloadable forms are available from the [U.S. Department of State](#) [2] website. (If renewing by mail use Form DS-82).
- One passport photo taken within the last 6 months. For specific requirements see the [Department of State](#) [3] website.
- **Proof of U.S. citizenship.** Acceptable documents include naturalization papers, a certified copy of your birth certificate (see [Where to Write for Vital Records](#) [4]), or a previous passport.
- **Other picture ID.** A valid driver's license or official state ID card. If you are adopted or changed your name, you will need more identification. Call ahead to verify what you need to bring.
- **Payment.** Bring two payments. One is the U.S. Department of State application fee and the other is the USPS or county clerk's office processing fee (execution fee). See [U.S. Department of State's Passport for fee information](#) [5].
