Going Abroad

The Global Engagement and Education Abroad (GEEA) team advises on non-UM study, work, and travel abroad opportunities. Our advising hours change each semester so take a look at the homepage of the International Center for the most up-to-date office hours or email ic-abroad@umich.edu [1] for more information.

There are many ways to get involved with global engagement right here on campus. In addition to advising, GEEA offers many cultural events, programs, and activities. We encourage you to take a look at our events calendar [2] and participate in as many cultural exchange opportunities as possible.

Explore this section of the website to learn more about the options and resources available for studying, working, and traveling abroad.

Advising Services:
