H-1B Temporary Worker in Specialty Occupations Basics

Date and Time:  
Tuesday, February 27, 2018 - 3:00pm to 4:30pm

Location:  
Lurie Engineering Center (North Campus)

Room:  
Johnson Rooms (3rd Floor)

Description:  
Designed for international students and scholars who are interested in learning about basic eligibility requirements and specific procedures. The program will conclude with time for questions.

Registration is recommended.  
Register Here.

Presenter:  
Vicky Farah from the Law Offices of Vicky Farah.

Workshop Resource:  
The University of Michigan subscribes to an online resource called GOING GLOBAL. GOING GLOBAL includes a searchable online database of employers who have filed H-1B petitions. It will provide information about employers who have filed H-1B petitions for their employees in the past and might be willing to do so again.

To find the H-1B information, click on H1B Info then on H1B plus for the most flexible search options. GOING GLOBAL also has U.S./Canada city career guides and country-specific career guides which may be of interest to you. If you have any problems accessing or using this online resource, you can get help at Ask a Librarian.

This workshop is cosponsored by College of Engineering and the International Center.
