

2020 Global Photo Showcase

Have you taken any photos during COVID-19 that illustrate the unique times we are currently living in? Maybe a photo from your social distance traveling, a photo of life at U-M (on-campus or remote), or a photo that shows how COVID-19 has changed day-to-day life in your home country or another country? We invite you to participate in the 2020 Global Photo Showcase!

Selected photos will be revealed during [International Education Week](#) [1] (November 16-20). They may be used for social media, this webpage, and future event promotional material.
