COVID-19 Vaccination Process
(Updated August 12, 2021)
UNIVERSITY OF MICHIGAN INTERNATIONAL CENTER

For detailed information about COVID-19 vaccination requirements: campusblueprint.umich.edu/vaccine

START

Before arriving in the U.S. will you be vaccinated for COVID-19?**

YES

I received all doses: Report your vaccination to U-M*

NO

I received partial doses: Report partial vaccination to U-M*

1. Submit vaccination postponement exemption*

If you are unable to get vaccinated before travel, you must:

REQUIRED: Self-Quarantine for 7 days, but you should:

Get Your COVID-19 Vaccine

Take a PCR test within 3 days

Were the results positive?

YES

Isolate for at least 10 days.

Contact UHS at 734-764-8320 for guidance on care

NO

Wait for confirmation from U-M.

Recommended: get COVID-19 test 3-5 days after international travel. If positive: Isolate for 10 days.

Upon Arrival to Campus:

Upon Arrival to Campus:

Submit your vaccination information and await approval

Wait two weeks

You can now visit campus without following unvaccinated protocols

After completing your quarantine, you can come to campus while observing protocols of unvaccinated people.

Get your second dose (if needed), as scheduled. Continue to follow unvaccinated protocols when visiting campus

*Students must complete this step by August 30, 2021

** If you have a vaccination that is not authorized by FDA or WHO, then you will need to be re-vaccinated upon arrival in the U.S.
