

## Guidance for Paper-Filing of Form I-765 for Optional Practical Training

Please review USCIS instructions in detail here <https://www.uscis.gov/i-765>

Please note that the information below is only intended to provide general assistance on how to complete the online I-765 form. It is not intended to serve as formal legal advice. **You are responsible for the accuracy and completeness of the I-765.**

### Application checklist for Paper-Based Filing:

For a paper-based OPT application filing, you will need to prepare and submit the following list of items to USCIS. We recommend that you compile the documents in the same order as listed below:

- [G-1145, E-Notification of Application/Petition Acceptance](#)
- [Application Filing Fee for I-765](#), payable to U.S. Department of Homeland Security.
- Please only include the I-765 filing fee and **do not include the additional biometrics fee** with the application. You may visit the USCIS [I-765 website](#) and also use the [USCIS Fee Calculator](#) to help determine the filing fee. [Instructions for Utilizing the USCIS Fee Calculator for OPT](#).
- A personal check, cashier's check or money order are all acceptable forms of payment. If you use a personal check, be sure you have adequate funds, and if you are considering closing your bank account, wait to do so until after the check has been cashed. Please note that for students using a paper-based application procedure, we do not recommend paying the application filing fee via credit card, although that is also an option. In our experience, the [G-1450](#) credit card application form/procedure has led to a disproportionately high level of errors.
- Unlike with the online filing option, applying for OPT via a paper-based application will not provide you with immediate confirmation that your application fee payment was successful. If you submit the wrong application fee or format your payment incorrectly, your OPT application will likely be rejected.
- Two recent U.S. passport-style photos. The photos must be identical and in color with a plain background. See the USCIS [I-765 instructions](#) for complete photo formatting requirements. Do **not** re-use photos that you have previously used on your passport or visa. Photos can be obtained at [U-M Photo Services](#). Use a pencil to gently write your name and I-94 number on the back of each of your two photos. You may place the photos in an envelope (also marked with your name and I-94 number) that you then attach to the other documents. Do not use a staple to attach the fee and the photos.
- Completed [USCIS Form I-765](#). Please carefully review the [USCIS Instructions for completing the I-765 for OPT](#).
- Select "Initial permission to accept employment" in part 1 of the I-765.

- You must sign the I-765 using a handwritten, black ink signature. USCIS will not accept a stamped or typewritten name in place of a signature.
  
- One of the most important choices you will make when preparing the I-765 is the U.S. Mailing Address. This is the address to which USCIS will mail all OPT related correspondence. We recommend that you select a U.S. Mailing Address that will remain valid for at least the next 6 months. Federal mail cannot be forwarded, so a U.S. Postal Service forwarding request will not forward your EAD card. If you use a friend or family member's address, list their name in the section 5.a. "In Care of Name." Please review our online training for OPT, module 4, for more information about choosing the mailing address to use on the I-765.
  
- Be sure that you are using the most up-to-date I-765 edition date. The current valid edition date is listed on [USCIS's I-765 website](#).
  
- Photocopy of the new I-20 with OPT recommendation, pages 1 and 2. Remember that to be eligible for Post-Completion OPT, USCIS must receive your application within 30 days of the date the OPT I-20 is issued. You can confirm the date your OPT I-20 was issued by viewing the "DATE ISSUED" section on page 1 in the "School Attestation" box. If your OPT I-20 recommendation is about to expire or has already expired, please [contact](#) the International Center as soon as possible for assistance with obtaining an updated OPT I-20.
  
- Photocopies of all previously issued CPT and/or OPT I-20s. Make sure that you have signed and dated each of your I-20s on page 1 in the Student Attestation section at the bottom.
  
- Photocopy of paper or print-out of electronic Most Recent [Form I-94](#). Please note that if you changed to F-1 status within the US via a successful in-country change of nonimmigrant status (Form I-539) application with USCIS and have not since traveled outside the US, the I-94 is located on your change of status approval notice document (I-797).
  
- Photocopy of previous EAD card(s), (front and back) if applicable. Attach corresponding OPT I-20s to prior OPT EAD card(s), if applicable.
  
- Photocopy of your passport picture page (the page(s) showing your biographical information, your photograph, and official passport validity dates and details). If the photo in the passport is not clear or varies widely from your current appearance, we recommend that you also include a clear copy of another form of identification, such as a state-issued driver's license or identification card.
