Comprehensive Ranking System (CRS) tool: skilled immigrants (Express Entry)

Legal Disclaimer: This tool is intended solely for general guidance and reference purposes. In the event of any discrepancy between the results of this questionnaire and that provided by the Express Entry electronic system, the results provided by the system shall govern, in accordance with provisions of the Immigration and Refugee Protection Act, the Immigration and Refugee Protection Regulations, and Minister’s Instructions issued under IRPA s. 10.3. This tool will be updated from time to time in accordance with changes to the Ministerial Instructions governing Express Entry.

This tool will help you calculate your Comprehensive Ranking System (CRS) score based on the answers you provide below. The CRS is a points-based system that we use to assess and score your profile and rank it in the Express Entry pool. It's used to assess your:

- skills
- education
- language ability
- work experience
- other factors

Use this tool if:
- you have not filled out an Express Entry profile and you'd like to see what your Comprehensive Ranking System (CRS) score might be if you do, OR
- you were invited to apply for permanent residence, and want to see if a change to your profile may affect your CRS score. You need to make sure that your CRS score is above the minimum points score of your round of invitations.
