Staying Safe & Healthy While Abroad

Ayesha Usmani
International Travel Safety Manager
Office of the Provost - Global Engagement Team
Goals of this Session

- U-M Requirements & Resources
- Well-Being & Risks Abroad
- Develop a Toolkit
- Practice Scenarios
In the Zoom chat, please share:

- Your Major
- What destination(s) are you traveling to?
- What type of experience are you doing (e.g. internship, volunteer, summer classes, language study, etc.)?
U-M Travel Requirements
Does your trip abroad count as "U-M Related Travel"?

At least one of the following:

- Receive "in-residence" credit (not "transfer" credit)
- Receive funds from or managed by a U-M unit
- Necessary to achieve a degree requirement
- Organized by an SSO (Sponsored Student Organizations) or sanctioned by U-M as a "Sponsored Event"
- U-M managed or otherwise organized

U-M Related Travel (UMRT) = U-M travel requirements apply
U-M TRAVEL REQUIREMENTS

STEP 1: Register your travel with U-M Travel Registry

For students who applied for their program through M-Compass, your program application is your travel registration. Students on non-UMRT can still register.

HOW:

- Once you know your travel dates and destination(s), go to global.umich.edu
- Select “Register Your Travel”
- Select “Student Registration”
- Select “U-M Related Travel” or “Non-UM Related Travel” (for personal travel outside of program dates or destination)

WHY:

Locate and communicate in an emergency

- U-M may send informational messages or wellness checks following an incident abroad (e.g. natural disaster, political unrest, terrorist attack, etc.).
- Wellness checks sent via email or text require response from travelers to confirm their status.
STEP 2: Review Additional Considerations for International Travel

Learn more about verifying travel destination entry / exit requirements, planning your travel logistics and contingencies, and staying healthy while abroad.

ALERT TRAVELER *Recommended

Alerts integrated with U-M Travel Registry
- “Opt-in” – download app and subscribe to use
- Subscribers receive real time alerts for their travel locations
- Access destination-relevant health, safety, and security information
- Download User Guide

STEP REGISTRATION *Recommended

U.S. Embassy alerts & trip enrollment
- A free service from the U.S. State Department for U.S. citizens/nationals
- Receive timely notifications concerning nearby travel safety issues
- Helps the U.S. Embassy, family, and/or friends contact you in an emergency
- Go to: https://step.state.gov/
**U-M TRAVEL REQUIREMENTS**

**STEP 3:**

Check **U-M Country Risk Rating** for your destination(s)

Review the corresponding eligibility and complete the requirements for your U-M related travel destination(s).

*Submit Travel Health Plan or Safety Plan at least 3 weeks prior to departure*

**WHY:**

- Ratings assess “risk” at the **macro level**. Determines eligibility and what additional preparation is needed to have a successful experience abroad.
- Travel Health Plans / Safety Plans serves as a **learning tool** for travel to demonstrate understanding of risks and develop mitigation strategies.
U-M TRAVEL REQUIREMENTS

STEP 4:
Enroll in U-M Travel Abroad Health Insurance (GeoBlue)

Enroll in GeoBlue health insurance for the duration of travel (even if you have personal health insurance).

HOW:
- Go to https://uhs.umich.edu/tai
- Select “Students on Educational Activities” and follow the enrollment instructions listed on the page.
- If you are going on a U-M managed program, check if your office is enrolling on your behalf.

NEXT STEPS
- Register your Account
- Download GeoBlue App
- Access Member Hub

Resource: GeoBlue One-Page Overview
## U-M TRAVEL ABROAD HEALTH INSURANCE (GEOBLUE)

### Coverage

Scenarios
SCENARIO 1

SUMMARY
It’s the first week of the program, and Wyatt is traveling to their volunteer site—which is about 45 minutes away from the nearest medical facility and their housing accommodations.

Wyatt gets off the public bus and walks along a gravel path. They trip and seems to twist their ankle. There is some visible bruising on their leg. Wyatt is worried about bothering the local staff and wants to continue with the project.

QUESTIONS
• Is this a serious situation? Why or why not?
• What should Wyatt’s next steps be?
Travel Health Preparation
Planning Ahead: Physical Health

**Travel Health Preparation Guide**
- Identify and plan for your health and well-being during travel
- Understand how health conditions/disabilities that are managed in the U.S. may change or be more challenging abroad

**UHS Travel Health Clinic**
- Allergy, immunization, & travel health clinic
- Schedule visit early, especially before peak travel
  - Small fee for clinic visit
  - Review website for services and costs
- Bring immunization record & list of current medications.

**GeoBlue Pre-Departure Program**
- Consultations with clinicians before departure on what to expect in host country
- Guidance to quality healthcare professionals to avoid any disruption of care

**CDC Travelers’ Health**
- Provides a list of health risk concerns and required/recommended vaccinations by destination.
- Includes resources about common travel health issues (e.g. jet lag, food poisoning, bug bites, etc.)
Planning Ahead: Mental Well-Being

What are common struggles for students when they are abroad or are preparing to go abroad?

Share your responses...
Common Struggles when Studying/Interning Abroad

ACCULTURATION STRESS:

- Language and cultural barriers
- Missing home and support system
- Less social support and close friendships
- Challenges of daily life: shopping, transportation, weather, etc.
- Communicating with healthcare providers & navigating different healthcare system
- Facing stereotypes and prejudice
Planning Ahead: Managing Well-Being

Managing Mental Health Abroad

- Identify common study abroad stressors
- Review a step-by-step guide on how to ensure your mental health needs are addressed before going abroad, while abroad, and when you return.

Consulting with your Provider

- If you are currently seeking care with a therapist, counselor, or psychiatrist, discuss your travel plans and concerns with them.
- Have a plan for continued care with an in-country provider or telehealth option.

Medication Access

- Are these medications available/legal in the host location/country?
  - For legality: Contact the U.S. Consulate/Embassy or International Narcotics Control Board
- How do I ensure I have adequate supply and access to these medications abroad?

Resilient Traveling

- Being aware of “travel escapism”
- Practice “Resilient Traveling” through a module-based approach of identifying behaviors and skills for having a successful experience abroad.

Travel & Onsite Considerations
**Housing Accommodations**
- Determine your housing priorities:
  - transportation access
  - access to food options
  - community amenities
  - nearest medical facility
- Review the “Selecting Safe Housing Abroad” guide

**Packing & Arrival**
- See Travel Tips: Packing List, Travel Advice, and Arrival Plan Resource.
- Packing considerations: baggage allowance; climate/cultural norms; your essential items
- Arrival Plan: when will you land, how to navigate immigration / customs; how to get to housing, etc.

**Entry & Exit Requirements**
- Passport valid beyond departure date
- Visa based on nature and duration of stay
- Public health-related entry and exit requirements
- International student considerations

**Finances**
- Verify types of payment accepted (e.g. cash, credit cards, contactless payment) and currency.
- Secure your money when traveling and keep in multiple places.
- Prepare for unexpected costs

1. Read the 3 scenarios.

2. Select 1 of the 3 scenarios.

3. Think about the following questions:
   a. Is this an emergency: Yes or No
   b. How could this situation escalate?
GENERAL EMERGENCY PROTOCOLS

**STEP 1:**
Tend to immediate safety / medical needs

Use your best judgement: Advocate for the immediate safety of yourself and others.

Call local emergency numbers or go to nearest medical facility

**STEP 2:**
Connect with local contacts and support networks

Work with local supports (e.g. law enforcement, medical personnel, GeoBlue, in-country partners).

Save all after-hours phone numbers before hand.

If needed, get in touch with the U.S. Embassy / Consulate

**STEP 3:**
Contact U-M to update on your status and discuss next steps

For urgent matters, call U-M Division of Public Safety & Security (DPSS)
Ann Arbor: +1 (734) 763-1131
Dearborn: +1 (313) 593-5333
Flint: +1 (810) 762-3333

For non-urgent matters, call or email your unit contact OR umich-itoc@umich.edu

Scenarios
SCENARIO 2

SUMMARY

Janelle’s internship is located a few hours away from several national parks. A group of her friends want to go hiking on a mountain over the weekend during their free time. The mountain is quite high, and the roads to the mountain are unlikely to be paved or in good condition. The group has already purchased bus tickets and plans to return late at night. The group is inviting Janelle to join them as well.

QUESTIONS

- What concerns or questions, if any, do you have about their plan?
- What should Janelle’s next steps be?
