- To be eligible for extension, you must be maintaining status, making normal progress toward completion of degree and have academic requirements remaining.
- Extensions may only be granted to students who can demonstrate that they have compelling academic or medical reasons.
- Delays caused by academic probation or suspension are not acceptable reasons for program extensions.
- Extension requests will not be granted solely due to delays caused by employment such as Academic Training.
- PhD students must comply with Rackham's "Time Limit for completing a Doctoral Degree" policy
